## Joeline ELLIOT

Kia Ora, I was born and raised in Te Teko.

I am currently managing Rotorua's premier facility, the Energy Events Centre and Business Events. My role is to generate revenue and create economic benefit for the city, managing contracts, agreements, partnerships and relationships, along with a strong understanding of governance, council systems and finances.

The Energy Events Centre caters for over 200,000 visitors per year and hosts over 10,000+ corporate delegates for conferences, creating 27,500 bed nights and contributing over 12 million dollars to the Rotorua economy. At a national level, I am also Vice Chairman of the Entertainment Venues NZ association, an Accredited Venue Manager (AVM) Asia Pacific and a Justice of the Peace.

I am honoured to be given this opportunity to be nominated as a Director on the Maori Investments. Board and hope to contribute to the ongoing success of our 100% Maori owned corporation.

## Huiarau STEWART

“Tirohia te taumata moana, ka whakaterere atu ai tātou ki tua”

Kua hoki mai tēnei manu ki tōna ūkaipō i runga i te ngākau aroha, te ngākau whakaiti ki wōna iwi. I am humbled to have my whanau’s support to submit my application to replace my Mum, Rauotehuia Chapman-DeVos on the MIL Board of Directors.

While I have big shoes to fill, i am up to the task of finishing Mum’s mahi. For 12 years i have worked in all sectors of the Māori economy. I am currently a Regional Advisor for TPK working in the Regional Economic team. Those who know me know i am kind, fair, honest and hardworking.

If elected, I would like to achieve:

1. Settlement of Wai 411
2. Establishment of our own leadership program to secure our succession plan
3. The return of our ngāhere

Mō a tātou mokopuna te take.
